| ISSUE: **HOUSING**

On Thursday, November 12th, I released a letter with Assembly Member Brian Kavanagh, GOLES and more than 80 elected officials and community organizations, asking Governor Paterson to fully fund NYCHA housing in his budget proposal for next year.

More than 80 elected officials and community organizations have joined our SOUND Housing Campaign for full funding for NYCHA. Would you like to join? Please contact Rosemarie Diaz in my office at 212-298-5565 or rdiaz@senate.state.ny.us.
