

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Planting A Tree at Greenburgh Nature Center Earth Day Celebration

ANDREA STEWART-COUSINS April 21, 2010

| ISSUE: **ENVIRONMENT, GOING GREEN, EARTH DAY**

Senator Andrea Stewart-Cousins is reminding local residents that April 22nd is Earth Day and encourages each person to help protect our environment for future generations. Senator Andrea Stewart-Cousins will be attending a series of Earth Day celebrations, which began over the weekend with the Senator helping to kick-off the Irvington Earth Day and Greenburgh Nature Center Earth Day events.
