| ISSUE: **HEALTH CARE**

Thank you, Senator Diaz,
for saying “NO” to more healthcare cuts.

Albany just passed legislation that will result in hundreds of millions of dollars being cut from funding for healthcare. This terrible news comes on top of eight rounds of massive cuts to our struggling hospitals, nursing homes and home care over the last three years.

Senator Ruben Diaz was one of a handful of leaders who took a stand and voted to protect quality healthcare.

Call Senator Diaz at (718) 991-3161.
Thank him for standing up for patients and caregivers.
