

Help Beautify New York City!

LIZ KRUEGER September 23, 2010

ISSUE: ARTS AND CULTURE, HOUSING, NEW YORK CITY

The urbancanvas Design Competition is an innovative contest to develop creative artwork for construction fences, sidewalk sheds, supported scaffolds and cocoons in New York City. The designs will be used for these different types of temporary protective structures located on City-owned property.

To vote for your favorite design and learn more about the urbancanvas project please visit: nyc.gov/urbancanvas.
