O&W Station in the City of Middletown to become Health Center

JOHN J. BONACIC April 11, 2011

| ISSUE: **HEALTH**

On Friday, April 8th, I attended a news conference in the City of Middletown announcing that Middletown Community Health Center plans to restore the old O&W Train Station during the next three years. Pictured with me is Mayor Joe DeStefano, Theresa Maloney, CEO of the center and Maria Bruni, Director of Office of Economic & Community Development.
