

NEW YORK STATE SENATOR

Michael Gianaris

Senator Gianaris speaking at rally to improve service on the 7 train.

MICHAEL GIANARIS April 28, 2011

| ISSUE: **TRANSPORTATION**

Senator Gianaris participated in and spoke at a rally held at the Vernon Blvd stop of the 7 train, calling for improvements to the train's service. Queens residents should not have to deal with the train's pattern of delays, unreliable service and impossible to hear announcements, which occur almost on a daily basis.
