On Thursday, May 5, I had the privilege to attend a pre-run celebration for the Bill Lawler 5k. This event, to benefit Huntington's Disease Society of America Upstate New York Chapter, takes place tomorrow, Saturday May 7th. It is NOT too late to take part in the 5k run or the 2-mile walk. For more information on this great event and very important cause, visit <http://www.huntingtons5k.com/>. Pictured with Senator Robach are Mike Prince (left) and Bill Lawler (center).
