Brighton Volunteer Ambulance Kicks off National EMS Week

JOSEPH E. ROBACH May 16, 2011

| ISSUE: **FAMILIES, HEALTH, PARAMEDICS**

On Sunday, May 15th, Senator Robach had the honor to meet with the great folks over at Brighton Volunteer Ambulance during their open house. May 15th through May 21st is National EMS Week. It was great to see families taking a tour of the base and learning about the tools these men and women use on a daily basis to help save lives.
