SENATOR BONACIC HONORS KELLY MYERS OF ULSTER COUNTY AS HIS 2011 WOMAN OF DISTINCTION

Senator John Bonacic (R/C/I- Mt. Hope) today honored Kelly Myers of Ulster County at the New York State Senate's 14th Annual Woman of Distinction Celebration. The Senate's "Women of Distinction" program was created in 1998 to honor New York women who exemplify personal excellence. "Kelly embodies all the qualities associated with being a Woman of Distinction," said Senator Bonacic. "Kelly is committed to serving her community through her career in human services, her extensive volunteerism, her service on various boards; including the Saugerties Village Board, as well as the most important job of all, raising her two children. Kelly truly defines what this celebration is all about and I am proud to recognize and celebrate her accomplishments, today."
