

NEW YORK STATE SENATOR

James S. Alesi

Community Update: 9/21/11

JAMES S. ALESI September 21, 2011

Offered by area health providers. In addition to numerous screenings and testings, the health fair will offer flu shots provided by the University of Rochester Health Checkpoint Flu Initiative. Please remember to bring your insurance card as we accept most, but not all major insurances. The health fair is **Thursday, October 6, 2011 between 10:00 a.m. and 4:30 p.m. at the Dome Arena Fair & Expo Center in Henrietta.** Parking and admission are free. Please join me and thousands of Monroe County residents at this year's fair for a one-stop source for quality medical information and services. Visit <http://www.rochesterhealthfair.com> for a list of exhibitors and seminars.

Senator Alesi Receives Dr. David Satcher Community Health Improvement Award at URM

Recently, I was presented an Honorary [Dr. David Satcher](#) Community Health Improvement Award from the University of Rochester Medical Center during the URM's Community Advisory Council Meeting. Now in their second year, the Health Improvement awards were created by the [URM Center for Community Health](#) to recognize individuals who have made significant contributions to community health in the greater Rochester region through research, education, clinical services and outreach efforts. The awards are named in honor of the 16th Surgeon General of the United States, who completed his residency at URM in the 1970s.
