

NEW YORK STATE SENATOR

Joseph E. Robach

D4 Celebrates Move to New Location

JOSEPH E. ROBACH October 4, 2011

| ISSUE: **ECONOMIC DEVELOPMENT**

On Thursday, September 29th, Senator Robach had the opportunity to attend, and speak at, a ribbon-cutting ceremony for D4, LLC, a leading provider of eDiscovery, Computer Forensics and Litigation Support Services for Law Firms and Corporations. They recently moved to 222 Andrews Street in Rochester.

D4 invested 1.6 million dollars in the renovation of the building and installation of a high security Data Center with assistance from a number of state and local agencies.

The move allows for continued growth and expansion for D4, as the company plans to hire additional employees this year and into 2012. D4 has 8 offices around the country and is looking to add additional locations in 2012. For more information visit
