Senator Mike Nozzolio meets at the Finger Lakes Institute

MICHAEL F. NOZZOLIO October 27, 2011

Geneva - Senator Mike Nozzolio recently met with President Mark Gearan and Lisa Cleckner, Executive Director of the Finger Lakes Institute in Geneva to discuss a number of environmental issues. Senator Nozzolio played a critical role in the establishment of the Institute on the campus of Hobart and William Smith Colleges as a way to promote, preserve and protect the Finger Lakes and their watersheds.
