Get to Know Your Government Day at Franklin

JOSEPH E. ROBACH November 22, 2011

| ISSUE: **EDUCATION, CHILDREN, GOVERNMENT OPERATIONS, YOUTH**

On Monday, November 21st, I had the opportunity to be a part of Know Your Government Day at the Integrated Arts and Technology School at Franklin High School. I spoke with students on the legislative process and duties of me and my colleagues in the State Legislature, along with how they can have their voices heard in our community. Best wishes to all the students at Franklin on continued success this year!
