Trees for the Troops From Grossmans

JOSEPH E. ROBACH December 5, 2011

| ISSUE: **FAMILIES, MILITARY AFFAIRS, MILITARY, TROOPS**

On Friday, December 2nd, I had the privilege to kick off Trees for Troops weekend at Grossmans Garden and Home. Grossmans Garden & Home is partnering for a second year with the Christmas SPIRIT Foundation and FedEx to participate in the nationwide Trees for Troops Program. GGH is the only retail in Monroe County to have a FedEx Trailer on site for the the weekend. After purchasing a tree, families may also load the newly donated tree directly on the truck (with the help of a Grossmans team member) to be given to a local military family. Imagine seeing the kids 'light up' and enjoy the opportunity to put that fresh tree on that huge truck! FedEx will pick up their designated Trees for Troops truck on

Tuesday, 12/6 and deliver the trees to local military bases in Rochester and Syracuse. This community 'hug' stays close to home and in our community!
