SENATOR SKELOS & SENATOR MARTINS DISCUSS LONG ISLAND EDUCATION ISSUES AT A RECENT MEETING IN ALBANY

DEAN G. SKELOS January 30, 2012

I was pleased to join with my colleague Senator Jack Martins today in meeting with Superintendent Patrick Manley of Franklin Square Schools, Superintendent Tom Dolan of Great Neck Schools, and Superintendent Mike Nagler of Mineola Schools. We had a great discussion on many issues of importance to Long Island Schools including the Governor's proposed budget.
