Welcoming Interns at Senator Nozzolio's Education Forum

MICHAEL F. NOZZOLIO February 16, 2012

Geneva – Recently I was pleased to host an education summit where local school district leaders had the opportunity to discuss their budget concerns with the Chairman of the Senate Committee on Education, Senator John Flanagan. The forum focused on my continuing efforts to ensure fair and equitable treatment for school districts in our region. Participating in the forum were three of my Seneca Falls district office interns.
