My sincere thanks to all of the students who contributed to the New York State Senate's Earth Day Poster Contest. This year we received many outstanding posters that exemplify the creativity of the young people in the 37th Senatorial District.

Each entry from my District displayed tremendous originality and vision as well as obvious concern for the ecological future of our communities and our state. I am proud of every participant and encourage them all to continue to study and learn more about the serious challenges that face our environment.

I am pleased to announce that the winner of the 2012 Earth Day Poster Contest from my District is:

Ethan Piliero

Grade: 4

Harrison Avenue Elementary School

Again, I offer my wholehearted congratulations to all of the participants in this year's Contest. I also want to thank your families and teachers for their dedication and involvement in this event.
