## Earth Day 2012 Poster Contest: District 50

JOHN A. DEFRANCISCO April 19, 2012

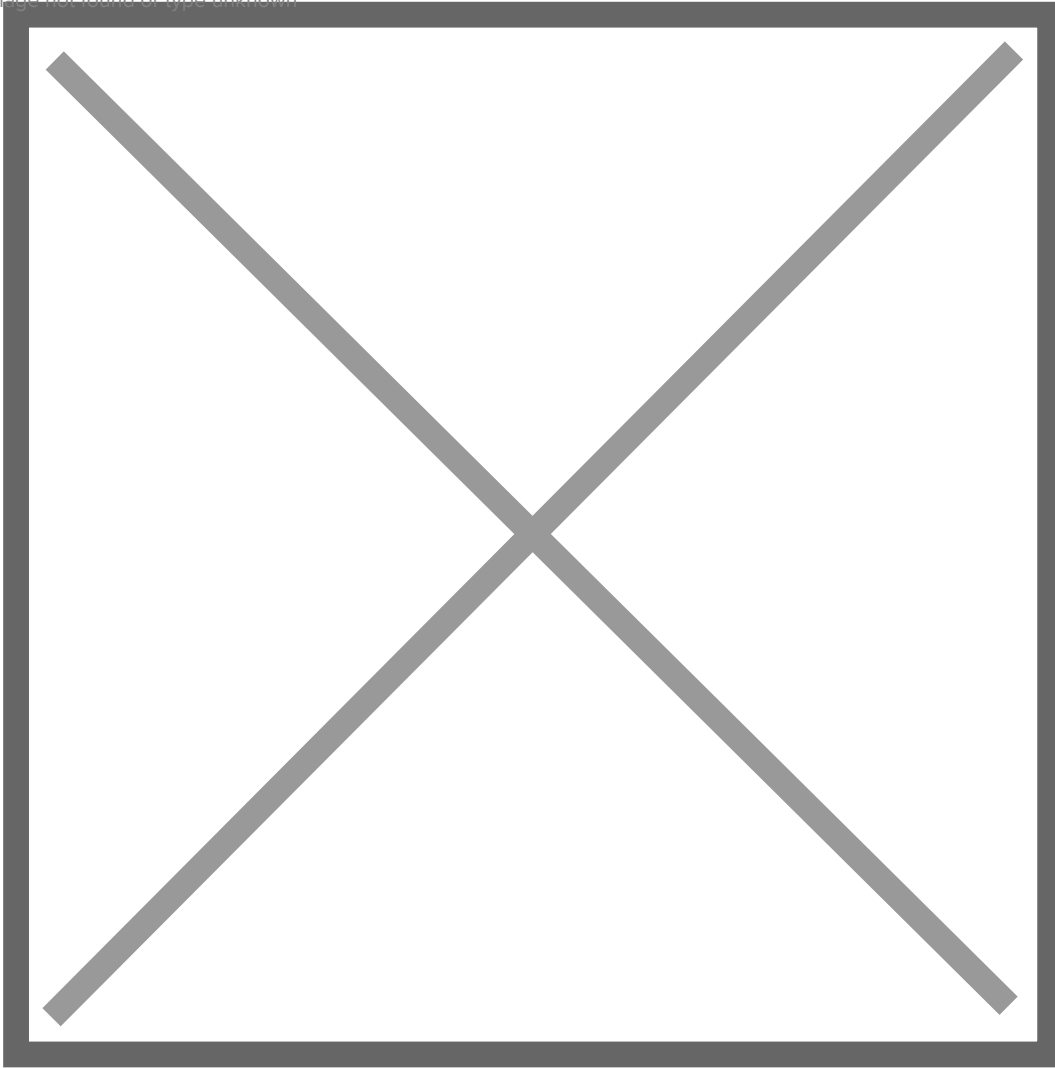

Dear Participant:

Thank you for your wonderful contribution to the New York State Senate's Earth Day Poster Contest. This year, we received outstanding posters that exemplify the creativity of our students in the 50th Senatorial District.

Each of the entries from my district displayed tremendous originality and vision, as well as an obvious concern for the ecological future of our communities and our state. I am proud of your work and that of your classmates and encourage you to continue to study and learn

more about the positive impact you can have on our environment.
