FULTON MEDICAL CENTER OPENS ITS DOORS

PATTY RITCHIE April 25, 2012

State Senator Patty Ritchie joined members of the public and healthcare officials Thursday, at an open house for the new Fulton Medical Center on Fourth St. in Fulton.

The new, state-of-the-art center is the result of Oswego Health's major renovation of the former A.L. Lee Memorial Hospital.

In the attached photo, Senator Ritchie is pictured with Oswego Health president and chief executive officer Ann Gilpin and staff during a tour of the new healthcare center.
