Land Trusts Grants

JOSEPH E. ROBACH April 27, 2012

| ISSUE: **ENVIRONMENT**

Earlier this week, I had the privilege to speak at a press conference regarding grants totalling \$1.4 million being awarded to 53 nonprofit land trusts across the state. 10 grants totalling over \$230,000 were awarded in the Western New York/Finger Lakes/Southern Tier category. This included the Genesee Land Trust, Genesee Valley Conservancy, and The Central and Western New York Chapter of The Nature Conservancy.
