Talks About Good Citizenship, Takes Questions From Students

State Senator Patty Ritchie visited Fairgrieve Elementary School in Fulton today, after being contacted by 6th grade student Ariel Stacy.

Ariel wrote Senator Ritchie a letter, asking about her role in state government.

Senator Ritchie talked with students about being a good citizen and answered questions about being a senator. Students voiced their concerns about having to take “too many tests.”

Senator Ritchie would like to thank Ariel for her letter, Ariel's teacher Lynne Leach and school principal Jean Ciesla.
