Lend Us Your Story Video Contest Winners Announced

JOSEPH E. ROBACH May 30, 2012

| ISSUE: **EDUCATION, CHILDREN**

Recently, I had the privilege to attend, and speak at, the award ceremony for the "Lend Us Your Story Video Contest". This contest was for children under the age of 17, and required them to shoot short videos about why the Rochester Public Library is important to them. The grand prize winner received a Kindle Fire, and the second and third prize winners received a Kindle. Great work by all the kids involved!
