Greece Central School District Summer Reading Initiative

JOSEPH E. ROBACH June 27, 2012

| ISSUE: **EDUCATION, CHILDREN, YOUTH**

Earlier today, I had the opportunity to record a segment to discuss the summer reading initiative sponsored by Greece Central School District. Greece-Turning Pages encourages students from kindergarten through high school to take an active participation in summer reading to help them maintain their reading skills and return to school in the fall, ready to learn. For more information about this program, visit <http://web001.greece.k12.ny.us/community.cfm?subpage=38411>.
