Academy Building Renovations Begin

JOSEPH E. ROBACH June 29, 2012

| ISSUE: **ECONOMIC DEVELOPMENT, HOUSING, CONSTRUCTION**

On Thursday, I spoke at a ceremony to announce the renovation of the Academy Building downtown. The \$5.8 million dollar project will transform the building into commercial and residential space. An \$800,000 grant from the Restore New York fund was secured for this project. Located at 13 Fitzhugh Street, the building housed Rochester's first high school.
