

NEW YORK STATE SENATOR

Michael F. Nozzolio

The New Endoscopy Suite at Newark-Wayne Community Hospital

MICHAEL F. NOZZOLIO July 23, 2012

Newark- Senator Mike Nozzolio recently participated in a ribbon cutting ceremony for the new Endoscopy Suite at Newark-Wayne Community Hospital where he joined community leaders and the employees and staff of the hospital to celebrate this new addition to the hospital. The new Endoscopy Suite will accommodate the growing number of patients who are seeking gastroenterology care at the hospital. This new medical service also helps to support the local economy by creating new jobs and opportunities for the people of Wayne County.
