| ISSUE: **ECONOMIC DEVELOPMENT, SMALL BUSINESS**

Recently, I had the privilege to speak at, and help cut the ribbon at, the grand opening ceremony for Benedettos Restaurant. Benedettos is located in the East End, on 289 Alexander Street. The restaurant offers casual Italian-American cuisine, and features two private dining areas across two floors and a first floor has a full bar with additional seating. Benedettos is open 7 days week, at 4:30 p.m. on Mondays through Saturdays and 2:00 p.m. on Sundays.
