

NEW YORK STATE SENATOR

Joseph E. Robach

Greece Central School District Summer Graduation

JOSEPH E. ROBACH August 28, 2012

| ISSUE: **EDUCATION, VETERANS**

(Rochester, NY) - Last Thursday, I had the privilege to speak at the ceremony to honor Greece Central School District graduates. Diplomas were given for students who completed the General Education Development (GED) program through adult literacy and the Bridges program and high school students. 83-year old Jerry Oransky received the New York State Operation Recognition award. Through this program, veterans can earn their high school diploma if they left school without graduating.
