Ruby Shooz Closes Out 2012 Concerts by the Shore

JOSEPH E. ROBACH August 30, 2012

On Wednesday night, I had the privilege to help close out the 2012 Concerts by the Shore season. A very large crowd was treated to a performance by Ruby Shooz! Thank you to Joe Carrozzi, Jean Carrozzi, and all of the volunteers on the Ontario Beach Park Program Committee for their commitment and hard work throughout the summer! This year's season featured NO rain outs, superb family entertainment and many good times! It was great to see so many familiar faces in the big crowd last night. Hope to see you all back next summer!
