

NEW YORK STATE SENATOR

John A. DeFrancisco

Senator DeFrancisco Observes the Use of Computing Tablets at Soule Road Elementary School

JOHN A. DEFRANCISCO October 22, 2012

| ISSUE: **EDUCATION**

Students at Soule Road Elementary School demonstrate for State Senator John A. DeFrancisco how they use tablet computing devices during interactive learning projects. Senator DeFrancisco helped secure discretionary funding for the Liverpool School District, which was used to purchase the tablets. He visited two first and fifth grade classrooms on October 22, 2012, to observe the tablets in use.
