This storm is changing quickly and this morning Mayor Bloomberg **ordered a mandatory evacuation of Zone A and other low-lying coastal areas is necessary.** This means that everyone in these areas must leave and go somewhere outside the evacuation zone.

Attached are the following documents:

- Maps for the developments in Zone A
- Bus Pickup locations for Zone A

**The City will be providing bus service from these developments to the nearest shelter, beginning at 3PM and ending at 9PM. The departure point for each development is included in the attached**

**spreadsheet.**

**Please note that elevator service, heat & hot water will begin to shut off at 7PM at these developments.** It is imperative that residents of these buildings leave either through public transportation or the bus service that the City is providing as soon as possible.

If you have any questions, please do not hesitate to contact the Mayor's Elected Official hotline at 718-422-8775 or the City Council hotline at 718-422-8789.
