

NEW YORK STATE SENATOR

Eric Adams

Senator Adams assists and speaks with the Canarsie and Manhattan Beach Communities in Brooklyn

ERIC ADAMS October 31, 2012

Senator Adams addresses the homeowners and speaks with the families that were affected by Hurricane Sandy in Canarise and Manhattan Beach community. Senator Adams is coordinating with elected officials and volunteer organizations to ensure that the community has a mobile command center and portable generators, which is available for neighborhood residents to charge their cellular phones and other communication devices.
