| ISSUE: **YOUTH**

Last night, I had the privilege to attend an event where the Greece Rotary recognized outstanding youth in our community. Congratulations to all the young men and women on your distinction and thank you for making contributions to our community. Best wishes and continued success for all you do inside, and outside, of the classroom! The young men and women are Joseph Miller, Vanessa Whitt, Kyle Besser, Julia Kostin, Patrick Barry, Nathan Christensen, Bianca Sansone, Elijah VanOrman, Jordan Coolidge, and Timmy Webster.
