

NEW YORK STATE SENATOR

Eric Adams

Purim Celebration at Jewish Children's Museum

ERIC ADAMS March 6, 2013

Senator Adams attended the Purim celebration at the Jewish Children's Museum. Children and young adults with special needs enjoyed themselves as they celebrated together this most joyous holiday making their own "Hamantash" a traditional Purim cookie, crafts, entertained with juggling show and Megilla Service - a time to sit together and listen to the story of miraculous redemption.
