The Battery Celebrates 30 Years

JOSEPH E. ROBACH March 7, 2013

| ISSUE: **ECONOMIC DEVELOPMENT, SMALL BUSINESS**

On March 2nd, I had the privilege to attend the 30th Anniversary of The Battery, located in Gates. A small family owned and run business, The Battery is proud to have contributed to make reality the dreams of thousands of young people. We are proud of the Battery students who through the years have signed with Division 1 colleges and universities; proud of those who signed professional contracts, and proud to have a Battery-trained student in the major leagues.
