Susan Swanton Named Gates Lions Club Citizen of the Year

JOSEPH E. ROBACH April 3, 2013

Last night, I had the privilege to speak at a ceremony to honor Sue Swanton as the Gates Lions Club Outstanding Citizen of the Year. I presented her with a proclamation to commend her for all that she has done for our community. She was the Director of Gates Public Library for almost 40 years, and serves in a number of volunteer roles to better the community in which she lives. Congratulations to Sue for this honor!
