Senator Nozzolio Shadowed at the State Capitol by Local High School Students

MICHAEL F. NOZZOLIO April 17, 2013

Senator Nozzolio was shadowed recently at the State Capitol by Claudia Mendoza-Lemus of Geneva and Agnes Csaki of Lansing. Claudia and Agnes were in Albany to participate in the 13th Annual "Students Inside Albany" conference, sponsored by the League of Women Voters of New York State. The program is designed to increase high school student's awareness of their responsibility to participate in their government - at every level - and to encourage their involvement. The students spent a portion of their day with Senator Mike Nozzolio where they had the opportunity to learn firsthand about their New York State Senate government and how it works. Claudia is a Senior at Geneva High School and Agnes is a Senior at Lansing High School.
