ESL Building Newest Habitat for Humanity Home

JOSEPH E. ROBACH April 29, 2013

| ISSUE: **ECONOMIC DEVELOPMENT, HOUSING, CONSTRUCTION, COMMUNITY REINVESTMENT**

Last week, I had the privilege to attend a ground breaking ceremony for the newest Habitat for Humanity Home. This house will be built by, and sponsored by, ESL. About 400 ESL employees will volunteer 3,200 hours on the home's construction, which is expected to take 11 weeks. The house is located in Rochester's JOSANA neighborhood.
