Leader Stewart-Cousins announced the passage of a legislation today which would allow a much needed safety improvement to Jackson Ave. in Greenburgh to move forward, "I was pleased to sponsor this bill and ensure its passage in the New York State Senate. With over 80 accidents and two deaths reported at Jackson Ave. and North Sprain Road in the last three years, it is clear that something must be done to protect residents and motorists. This is not just a matter of improving Jackson Ave., it is a matter of public safety and I was happy to play a role in moving the project forward. I'd like to especially recognize County Legislator Mary Jane Shimsky for her leadership and initiative in this effort."
