

NEW YORK STATE SENATOR

Michael F. Nozzolio

Wayne County Senior Citizens Annual Picnic

MICHAEL F. NOZZOLIO July 12, 2013

Williamson- Senator Mike Nozzolio recently spoke at the Wayne County Senior Citizen Action Council annual picnic where he spoke about his efforts to support senior citizens in our community. Senator Nozzolio has been a strong advocate for programs to help seniors pay for their prescription drugs and for programs that insure the safety and well being of our seniors, such as Lifespan, an organization that protects our seniors from elder abuse. The organization also helps to prevent seniors from becoming the victims of consumer fraud and scams that often target seniors.
