Walkway Over the Hudson

TERRY GIPSON July 24, 2013

Walkway Over the Hudson State Historic Park's ground breaking ceremony for their new elevator that will connect the Poughkeepsie Waterfront to the center of the Walkway. It is heartening to see the Walkway Over the Hudson continue to grow and have a positive impact on the City of Poughkeepsie and surrounding communities. This is another great step towards connecting our neighborhoods and business centers to spur our local economy and create jobs.
