

NEW YORK STATE SENATOR

Terry Gipson

Joining efforts to reform Albany

TERRY GIPSON July 24, 2013

"Good government and earning the public trust is not a partisan issue, and I thank Assemblyman [Kieran Michael Lalor](#) for working with me to reform the system in Albany to better serve our constituents in the Hudson Valley. We might not agree on every issue, but when it comes to rooting out corruption and reforming Albany we stand side-by-side."
