Supporting autism awareness at The Autism Society of America, Hudson Valley Chapter 512's Autism Walk and Expo

TERRY GIPSON July 24, 2013

It was a beautiful day and event this weekend at the [The Autism Society of America](http://www.autismwalkhv.org/), Hudson Valley Chapter 512's Autism Walk and Expo. I'm committed to supporting autism awareness and the amazing organizations in our communities that provide important services to those with autism and their families.
