Mid-Hudson Addiction Recovery Center opens their new facility

TERRY GIPSON July 24, 2013

Finished the week yesterday at a really special event with Assemblywoman [Didi Barrett](#), Assemblyman Frank Skartados and the Dutchess County Regional Chamber of Commerce. We were able to join the Mid-Hudson Addiction Recovery Center, Inc. as they cut the ribbon on their new facility. I wish them and those they serve the best of luck going forward.
