

NEW YORK STATE SENATOR

Terry Gipson

Retired Senior Volunteer of Dutchess County Annual Recognition Breakfast

TERRY GIPSON July 24, 2013

This morning Michelle and I attended the Retired Senior Volunteers of Dutchess County Annual Recognition Breakfast to personally thank them for their service to our communities. I also reaffirmed my commitment to reduce the cost of living so that our seniors can afford to stay in our district. Plus, I got to show off my new AARP card!
