Urging NYDOT to build an overpass at Pudding Street and the Taconic State Parkway

TERRY GIPSON July 24, 2013

Yesterday afternoon, I hosted a press conference in the town of Putnam Valley on the need for the NYDOT to finally make good on a decade-old promise to build an overpass at Pudding Street and the Taconic State Parkway. With me are Assemblymember Stephen Katz, Putnam Valley Supervisor Robert Tendy, Putnam Valley Highway Superintendent Larry Cobb, Putnam Valley Central School District Superintendent Barbara Nuzzi, Putnam County Legislator Sam Oliverio, and A. Gerald Schramek from the Putnam County Sheriff's Department. Let's get this overpass built!
