FLRBA Send-off Breakfast

| ISSUE: **YOUTH**

I had the pleasure of taking part in the annual Finger Lakes Regional Burn Association Youth Burn Camp Send-off Breakfast yesterday morning. These resilient children will take part in Camp Courage, a four day retreat for youth burn victims. This camp gives them a chance to participate in a wide array of activities that encourage creating a new and positive self-image. Special thanks to the Rochester Fire Department for hosting the send-off breakfast.
