2013 National Night Out Against Crime

JOSEPH E. ROBACH August 8, 2013

On Tuesday night, I celebrated National Night Out Against Crime in the Dewey-Stone neighborhood in the Town of Greece, and at Ontario Beach Park with the Charlotte Community Association. National Night Out is recognized nationwide to raise awareness for anti-crime efforts and to promote community-police partnerships. By working together with our local police departments, we can work to ensure our communities remain safe and crime-free.
