## Greece Historical Society 25th Anniversary Celebration

JOSEPH E. ROBACH August 9, 2013

The Greece Historical Society celebrated the 25th anniversary of moving the Larkin-Beattie-Howe House from the corner of Latta Road and Long Pond Road to its current location at 595 Long Pond Road. I was honored to serve as an honorary host for this event.

The Greece Historical Society is such an important part of our community, and does a great job of preserving our rich history for future generations. Special thanks to Legacy Senior Living and Mark IV Enterprises for hosting this event.
