

NEW YORK STATE SENATOR

Joseph E. Robach

High Falls Transformation Press Conference

JOSEPH E. ROBACH September 5, 2013

| ISSUE: **ECONOMIC DEVELOPMENT**

This morning I joined Mayor Tom Richards to announce an exciting new project for the High Falls area in Downtown Rochester. I'm pleased to be able to secure state funding to help this new project that will upgrade the existing trail along the Genesee River and High Falls and help pay for new lighting of the falls.

We're so fortunate to have an attraction like High Falls in our community, this project will allow more people to experience all it has to offer.
