| ISSUE: **DEVELOPMENTAL DISABILITIES**

The Arc of Monroe County celebrated the grand opening of the James V.C. and Anita Lambert Enrichment Campus this morning. The new 24,000+ square foot facility is located at 2657 West Henrietta Road and was designed around the needs of the program's current and future participants. This project wouldn't have been possible without the gracious lead donation from Anita Lambert and all of the other generous donors.

The Arc of Monroe has provided services for with developmental disabilities for more than 50 years. We are so fortunate to have an organization like the Arc in our community.
